

ORTHOCANADA

Electrotherapy Devices

THE BTL-4000 SERIES

This new and advanced series of physiotherapy products offers devices for ultrasound therapy, electrotherapy, laser as well as an extended line of combination therapy. The outstanding parameters and wide range of applicators, including the revolutionary HandsFree Sono[®], make the 4000 series line an ideal choice for any professional practice.

The BTL-4000 series Electrotherapy is available in two models:
BTL-4625 SMART & BTL-4625 PREMIUM.

EASY OPERATION

- Therapy can be started with a single touch
- Possibility to select up to eight QUICK protocols for each therapy
- Large colour touch screen provides clear visualization of all important information
- Touch screen available in two sizes: 7" for the **BTL-4625 PREMIUM** or 4.3" for the **BTL-4625 SMART**

FULL RANGE OF APPLICATORS AND ACCESSORIES

- Lead wires
- Reusable electrodes
- Sponge covers
- Fixation straps

DATABASE

- Easy management of the patient database
- All patient relevant information can be stored in the device memory
- Easy recall of patients' records and related treatments

PORTABILITY

- Easy manipulation
- Optional lightweight battery and carrying case

THERAPEUTICAL PROTOCOLS

- Wide library of preset protocols for easy and effective application
- Classification of the protocols according to the biological effects
- Full - colour encyclopaedia with anatomical images
- Description of therapies and positioning of electrodes for treatment protocols
- Body Parts navigation for fast access to localized protocols

ELECTROTHERAPY

FULL RANGE OF WAVEFORMS FOR THE BEST THERAPEUTIC EFFECT

The BTL-4625 Smart and the BTL-4625 Premium feature two channel electrotherapy units with a wide selection of waveforms. The new BTL-4625-PREMIUM offers a fast therapy option using the QUICK screen, an easy navigation according to the body parts treated, all of them being clearly visible on the device large colour touch screen.

BTL-4625 PREMIUM

- QUICK protocols
- Body Parts navigation
- Large 7" colour touch screen
- Pre set protocols and therapeutic encyclopaedia
- Patient database
- Portable and battery - operated*

*optional

BTL-4625 SMART

- 4.3" colour touch screen
- Preset protocols and therapeutic encyclopaedia
- Portable and battery - operated*

*optional

FEATURES AND BENEFITS OF THE BTL-4625 ELECTROTHERAPY

- The largest range of waveforms available in the industry
- Protocols organized by the required therapy effect
- Programmable sequences
- High Voltage therapy
- Constant Current and Constant Voltage modes
- Suitable for combined therapy (simultaneous ultrasound and electro therapy)
- Trolley*
- Units include lead wires, 4 reusable rubber electrodes (5x7 cm), sponge covers, and a set of fixation straps

*optional

Biomedical Services

OrthoCanada prides itself on excellent after sales services. Our team ensures that all our customers are well taken care of and that the best possible service is offered at all times.

OrthoCanada's Biomedical Services department is certified to repair, test and calibrate all BTL physiotherapy and electrotherapy devices. OrthoCanada will support your practice to ensure your clinic does not lose a step in the event of technical issues. All repairs are handled with care and in a timely manner to ensure minimal disruption in your clinic.

A graduate in Biomedical and Electrical Engineering from Carleton University in Ottawa, Razi is also a certified technician for BTL electrotherapy and other medical device manufacturers.

"One of my greatest passion is to help healthcare practitioners choose equipment that best meets their needs and is tailored to their professional practice."

We Ship Anywhere Across Canada!

OrthoCanada strives to make ordering our products a positive, satisfying experience. Whether you're located in Little Shuswap or Happy Valley Goose Bay, our goal is to provide the best possible delivery service to our professional customers at an affordable price. We understand that getting your order to you promptly is our priority.

Take Advantage of our Free Shipping Offer

Professionals & institutions can take advantage of our Free Shipping policy everywhere in Canada on orders over \$250*

Standard Shipping Rate \$9.95

Our standard shipping rate for Professionals & institutions, on orders under \$250, is \$9.95 unless weight, location or size is a factor.

*Unless weight or size is a factor, or the product is shipping to a very remote location. If this is the case, a customer service representative will contact you to confirm the shipping cost prior to shipment. Standard shipping is provided by FedEx or by Canada Post. Larger items ship via surface freight. OrthoCanada provides shipping only within Canada at this time. Visit our website for our Terms & Conditions at orthocanada.com/en/shipping-info

All prices are subject to change without notice

Multi-Site Drop-Ship Locations

OrthoCanada's operation system enables us to set-up your institutional account with multiple drop-ship locations. Whether your locations are in the same city or are spread across the province or country, we can assure fast, efficient delivery. Contact us for more information.
